Getting Started

This document is designed to get you familiarized with your

Charge the Battery Pack

Only use the AC Adapter supplied or the optional battery charger (X-Rite P/N 500CHG). The battery pack must remain in the instrument at all times to operate.

Before initial “remote” use of the instrument, charge the battery pack for approximately three hours. However, if immediate use is required, the instrument can be operated “tethered” to the AC adapter during battery charging.
